Commercial – Industrial Colors

Siliconized Polyester

26 gauge material available in all colors • 29 gauge material only available in Polar White • 40 year limited warranty available upon written request except for Crimson Red (3/5 year warranty) • For warranty information outside the continental United States, please inquire. *Polar White is a Straight Polyester.

All colors shown except Crimson Red contain not more than .06 percent lead. Use this color only for applications which comply with federal, state and local regulations for lead-based paint.

Final selection should be made from actual color chips.
